

We'll be singing  
When we're winning  
We'll be singing

I get knocked down but I get up again  
You're never going to keep me down  
I get knocked down but I get up again  
You're never going to keep me down  
I get knocked down but I get up again  
You're never going to keep me down

Pissing the night away  
Pissing the night away

He drinks a whisky drink  
He drinks a vodka drink  
He drinks a lager drink  
He drinks a cider drink  
He sings the songs that remind him of the good times  
He sings the songs that remind him of the better times:

"Oh Danny Boy, Danny Boy, Danny Boy..."

I get knocked down but I get up again  
You're never going to keep me down  
I get knocked down but I get up again  
You're never going to keep me down  
I get knocked down but I get up again  
You're never going to keep me down

Pissing the night away  
Pissing the night away

He drinks a whisky drink  
He drinks a vodka drink  
He drinks a lager drink  
He drinks a cider drink  
He sings the songs that remind him of the good times  
He sings the songs that remind him of the better times:

"Don't cry for me, next door neighbour..."

I get knocked down but I get up again  
You're never going to keep me down  
I get knocked down but I get up again  
You're never going to keep me down  
I get knocked down but I get up again  
You're never going to keep me down

We'll be singing  
When we're winning
